.....G-GAUGE COMMITTEE FORMED

Acting president, Bob Hodges, appointed a new G-gauge committee. The members are: Nelson Davison, Doug Hornberger, Howard Gregory, George Tavenner and Lynne Hooker,Steve Colander, and Bob Hodges. If you are interested in joining this group, contact Nelson Davison or Steve Colander. The club recently received a huge collection of G-gauge trains and accessories. This group will recommend which items we will keep, and which items we will sell. The group will also begin construction of a new G-gauge modular system.

....WALMART MAKES $1,000 DONATION

The club received a $1,000 check from Walmart Corporation, thanks to the efforts of Doug Hornberger and Bill Mixon. All our members attending the February meeting will be asked to sign a Thank-You letter.

....AMERICAN FLYER TRAINS DONATED

Club member Lee Horn received a small collection of American Flyer trains for the club. They were donated by David Coward of Ocean View, DE. The train set is in excellent condition with original boxes and paperwork. The only stipulation is that he would like to see them running. We can do that.
