May, 2004

Issue # 1

Who would have believed when John Beck, Doug Hornberger, Erle Dobson and I met in a McDonalds Restaurant back in January that we would have 36 paid stockholders (members) by April.? We have already had three meetings with several guest speakers and are planning our first Train Show which will be held on June 26. Everything is moving so fast, it is hard for the officers to keep up (we are getting older).

We do need some help. For one thing, is there anyone who would like to put together this newsletter? If you would like to be the Editor, let me know. We also need ideas for future meetings. What kind of activities would you like to see us plan? Would you be willing to be a guest speaker at one of our meetings? Perhaps you have some special skills or knowledge that would interest our members.

We are also looking for a building we could call our own. Maybe you know someone who has a barn or garage that we could rent (very cheap) where we would be able to set up some operating trains as well as hold our meetings.

It has been exiting so far and I know we are going to get even bigger and better. Thanks for your support.

Our April meeting was held at the Ocean View Town Hall on April 13. The guest speaker was Tom Knox, an employee of the Norfolk/Southern R.R. Tom gave an interesting report on the operations of N/S in our area. He will inform us when the ballast train will be in our area. You can find more information about N/S R.R. at their website: www.NS.com

Another speaker was our own Bill Ziegler who gave us some information on "OO" gauge. He had some Lionel OO trains for us to see and handle. John Beck brought some old Lionel catalogs which showed the OO trains they had for sale before WWII. Harold Walters brought in some HO trains to compare with the OO.

Lee Horn brought in some old banked tracks he picked up at a train show. They were made by American Flyer O gauge trains.

Bill Mixon presented a check in the amount of \$150.00 from the Seaford Train Show in appreciation for the train layouts we set up there. We collected \$20.00 in 50/50 money and signed up four new members: Steve Conway, Tom Henry, Tom Maly, and Jim LeGate. WELCOME!
