Workday at Jean's garage - Aug. 28, 2012

DSRC President's Notes

By Dave Lawrence, Engineer

I want to thank Bill Fagan for organizing the first Delmarva Shorebirds Club Outing at the Perdue Stadium, Salisbury, MD, on August 8. He had reserved the Executive Club with air conditioned box seating or outside seating. It was lots of fun, and it included refreshments and a buffet meal.

Twice this month, we worked to clean up the accumulation of water at Jean's garage on August 13 and August 28, 2012. Water ran off of the drive way which is slightly higher than the garage doors onto the garage floor. The work crew included Bob Hodges, Bill Hudson, Bill Mixon, Tom Bradley, David Lawrence, Steve Cawunder, and Nelson Davison. The garage was straightened up, and equipment was inventoried. Additional shelves were built, and the N gauge layout was placed on top of the shelves.

The Home Committee Meeting will meet on September 6, to prepare a presentation for the next club meeting on September 11. We will be voting on future home for our club.

Tickets are available for sale to the Basket Bingo on October 16, at the Millsboro Volunteer Fire Company, Millsboro, DE. The price is \$20.00 for early purchase or \$25.00 at the door. We hope each member will sell at least two tickets to help with this major fund raising event.

On August 29, Bridget A. Weaver, President, of the Cape Business Network presented a donation check for \$247.00 to David Lawrence, Engineer. This was during their bi-weekly meeting at the IHOP Restaurant of Rehoboth Beach. This was made possible by Lee Horn.
