## Letter from our Engineer

With this recent hot weather, what a relief to climb into a refreshing swimming pool! That is exactly what we did for the DSRC annual picnic held at Kathy and Bob Hodges' home at 22628 Southern Pines Drive, Lewes, DE 19958, on July 10. The in ground molded salt water swimming pool was filled with bath water temperature for relaxing. Margaritas by mixologist, Bill Mixon, were served at pool side. Hamburgers, cheese burgers, and hot dogs off the grill were prepared by the world renowned chef Bob Hodges. Multiple club members contributed home baked or cooked delicious foods arranged on the dining room table. The creative Kathy Hodges added her scrumptious German potato salad. Several hours of stimulating conversation were provided by many club members and their significant others. We were pleased to see our newest member, Paul Eiermann, who traveled from Newark, DE.

The summer fun is not over! On August 8 we will experience our first Delmarva Shorebirds Club Outing at the Perdue Stadium, Salisbury, MD. We have reserved the Executive Club with air conditioned box seating or outside seating between home plate and first base. Arrive as early as 5:30 P.M., use general parking, and take the elevator or the stairs to reach the club level. A cash bar is available at the club for our group with the catered buffet being served from 6:30 P.M. – 8:00 P.M. The game starts at 7:00 P.M. with the Augusta Green Jackets playing the Delmarva Shorebirds. If you have wondered, the format for our newsletter is due to the creative work of our Editor, Bill Mixon. Keep up the great work Bill!
