

Delaware SeaSide Railroad Club

CORONAVIRUS (COVID-19) UPDATE

March 21, 2020

The Spring-Fling Toy and Train Show Originally scheduled for May 2, 2020 has been canceled.

The April 14, 2020 Monthly Club Business Meeting is cancelled. The next meeting is scheduled for May 12, 2020 but it may be impacted as well. Further information will follow.

March 20, 2020

Effective Immediately our Clubhouse is closed to visitors until further notice.

March 17, 2020

Movie Fundraiser Postponed

Due to the State of Emergency that has been declared in the State of Delaware as a result of the Corona Virus Pandemic, the DSRC has postponed its Annual Movie Fundraiser Event originally scheduled for March 31st. The Club intends to reschedule the event later in the year when it is safe to do so.

March 15, 2020

The Delaware Seaside Railroad Club is currently maintaining its regular published open house schedule and welcomes you to visit our Clubhouse.

We are taking precautions to help avoid the spread of infectious disease by cleaning frequently used items and surfaces that will likely be touched by the visiting public with disinfectants and restricting public use of hand-held train control devices.

We are sorry for any inconvenience and hope you understand and will still enjoy the displays our club is pleased to present.

As we expect further changes to the Delaware State of Emergency requirements, please continue to check this Website for information about potential future closings.

John Hodges, Engineer
