

Dennis Allan Whitlock

1951 - 2020

Dennis Whitlock, our dear friend and active member of the Delaware Seaside Railroad Club, passed away on March 8, 2020. He was a regular host, greeter and train operator on most Saturdays at the Clubhouse even while battling his terminal illness. Model railroading was one of Dennis's passions and a lifelong hobby which began when Santa brought him his first train as a child.

When Dennis moved from his lifelong home in Glen Burnie, MD to Selbyville, DE in 2015 he dismantled his home train layout he but found another way to share his hobby. He

added color and excitement to the O-Gauge Club layout by bringing in and operating his extensive collection of Lionel Disney themed trains. The Disney cars were especially attractive to the young children who visited the Clubhouse. Dennis loved to see the excitement in their eyes watching and running trains and especially enjoyed spending time with them telling stories about model railroading and real trains. We also cherish the memory of the time spent with Dennis learning about his career with the Baltimore County Fire Department and as a volunteer charter bus driver for Veterans Charity events.

Dennis was a great contributor to our Club and will be sorely missed.

In deepest sympathy, we extend our thoughts and prayers to his wife Sharon and to the rest of his family.
