DSRC President's Notes

Wow!! What an active two months. We are indebted to Nelson Davison, Brett Wyatt, and Paul Eiermann who spent the day at Boscov Department Store 25% Shoppers' Discount program ticket sales in Dover on October 16, 2012. They took turns manning a display table with an S gauge train operation from morning to night to raise money for the club by selling discount tickets to store customers. It was a valiant and dedicated effort for only \$45.00.

That same evening our Basket Bingo was held at the Millsboro Fire Station. 17 volunteers made it possible with leadership particularly from Gladys and Bill Mixon, and Doug and Leslie Hornberger to net \$3,272.02. That is without the 20 tickets (\$400.00) not sold by our members compared with sales of tickets last year for the same event. This continues to be our best fund raiser.

The DSRC Fabulous 50's O gauge modular layout was premiered at the Train Collectors Association York Train Meet in York, PA, from October 18th through 20th. To the original O gauge modular layout were added 10 dioramas depicting 10 different manufacturers from the 1950's assembled by John Hodges, David Lawrence, Jim LaGates, Bill Mixon, Bill Fagan, Bob Hodges, and Bill Ziegler. Altogether, ten members helped man the display for three days at the York Show. Many compliments were received from vendors and general members of TCA.

Opportunities are available to socialize and run trains. Volunteers are needed the following future events:

1. **Georgetown Public Library Display of the O Gauge Layout and S Gauge Layout.** Many hands are needed for **the setup** on Thursday, November 15th from 1:00 P.M. to 12:00 P.M. **Train operators** are needed from 10:00 A.M. to 2:00 P.M. On Saturday November 17th and 24th, and December 1st, 8th, and 15th.
2. **Seaford Museum Display**, 203 High Street (the old Post Office downtown), Seaford, DE from Friday, November 23rd through Sunday January 20th, 2013, using the DSRC Fabulous 50's display. Help is needed for the **setup** on Friday, November 16th, from 10:00 A.M. to 1:00 P.M.

Our **next club meeting** will be November 13th, 2012, at 7:00 P.M. in the South Coastal Library. Come 30 minutes early if you would like to sell or swap any train equipment before or after the meeting. The program will include a power point program on the Fabulous 50's train layout and the remainder of The Black Diamond Railway DVD.
