NEWS....NEWS....NEWS....NEWS

BRITAINS - The Britains Circus Figures that were part of a donation to the club have been sold at auction for \$725.00. As part of the deal, the net of approximately \$600 will be given to the donor.

TRAIN SHOW - At the past meeting, we completed the final report for the Indian Summer Train and Toy Show on September 27th, 2014. The DSRC Revenue and Expenses follows:

Expenses - \$2,004.00

Receipts - \$4,604.73

Profit - \$2,600.73

FIXIN' UP THE OLD O-GAUGE LAYOUT.

DSRC President's Notes, November, 2014

On October 8 Steve Cawunder, Nelson Davison, and Doc Dougherty traveled to Roanoke, Virginia to purchase and tow our new trailer back to Delaware. This is a seven by fourteen foot covered trailer with a drop barn door rear entrance to store and transport HO and G gauge modular layouts. Restraining straps and specially designed carts simplify loading and emptying of the components of both layouts at future displays.

7 foot by 14 foot, V-Nose, 4 wheels with electric brakes, enclosed club trailer stored at the hobby shop.

Bob, Bill Z., and Bill M. putting the small old O gauge layout in working order.

During November and December we will have a display of older small S and G gauge layouts running on a timer for Historic Georgetown Association (HGA) members to run the layouts at the Georgetown Train Station. On October 13 John Hodges, David Lawrence, Bill Ziegler, Bill Mixon, and Bob Hodges worked on reconditioning the old 4' X 6 1/2' O gauge layout at Jean Layton's garage.. John Hodges has been cleaning the S gauge small layout located in his home. At least three members will represent the club on Returns Day in the Historic Georgetown Train Station, Thursday, November 6, by running the trains for the historic association.

John & Don with their train loot in Orange Hall.

"Wow...Look what I found!" says Bill.

Commercial layout display by Dunham Studio in Orange Hall

The York O & HO Gauge Modular Club Display in White Hall

Several of our club members traveled to the York TCA Train Meet on October 16 for a day of treasure hunting. Afterward, we went to Ruby Tuesday's to exchange tales about our bargain hunting adventures.

Bob, Don, Gene, Lynne ready to order dinner.

Bill, John, Dave, and Steve having their beer.

Club Information

The Fireman, Bob Hodges, is the club Property Manager for Jean's Garage and needs to be notified of additions and subtractions of materials to the garage. Please, take a moment to call Bob before making changes at the garage.

The deadline for the Christmas Train Tour applications at the SeaSide Hobbies store was November 1. The completed table of open house homes will be available in the next few days at the hobby shop.

The next DSRC Club Meeting will be held on November 11, 2014, from 7:00p.m. Until 9:00p.m. In the South Coastal Library, Bethany Beach, DE. The tentative program for the meeting is a scratch built building demonstration by Rick Kirwan.

David Lawrence - Engineer
