## DSRC President's Notes, October, 2014

After lots of hard work, we had another successful Indian Summer Roxana Train and Toy Show on September 30. 330 adults with their children attended the show. After the preparation day and the show day, 41 volunteers produced a net profit of \$2640.00. We give a big round of applause to all of those people who helped make this occasion possible. A special treat was the running of a live steam engine on the G gauge modular layout by Gary Cuppels. See the steam rising from his Union Pacific engine in the first picture. Mark Marvel won the door prize of the Bachmann HO scale steam freight train set donated by the SeaSide Hobbies. The fellow shown shaking Mr. Marvel's hand is our hard working Bill Ziegler. He arranges the sale of our 81 tables to the vendors at each of our shows as well as coordinating the set up of the entire space used at the display. Mr. Plocek won the raffle the Lionel Lion Chief O gauge version of Thomas the Train set for his grandchildren. A final show report will be presented along with photos at the next club meeting.

At our club meeting on September it was announced that Jessie and John Pieplow will host the Christmas Party on December 16 at 5:30 P.M. in their home at 247 Oyster Shell Cove, Bethany Beach, DE 19930. At the same meeting we approved the purchase of a covered trailer to transport two or more of our modules to train shows.

The TCA York Train Meet will be held at the York Fairgrounds, 334 Carlisle Avenue, York, PA 17403, on October 16th -18th, 2014. Members may want to schedule a car pool to the show at the next club meeting.

### Club Meeting

The next DSRC Club Meeting will be held on October 14, 2014, from 7:00 P.M. until 9:00 P.M. in the South Coastal Library, Bethany Beach, DE. I will see you at the meeting!
