

A VIEW FROM THE CAB

WOW! I guess the message was received!

After seeing the number of attendees at our August 9th meeting, I realized people were paying attention and it appears we have been able to secure members support for the immediate future.

We have had a very strong first 7 months financially, with a surplus of income over our projected budget, and our expenses are right in line or a little below our expectations. This plus the news that our landlord is now NOT actively working to sell the property helps us to feel a little less worried about our future.

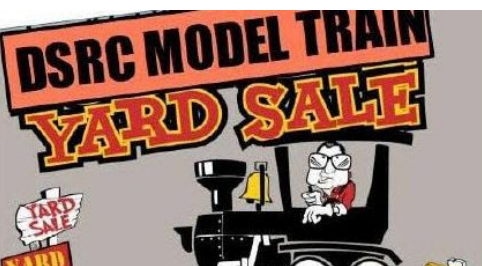

Another piece of news has to do with the passing of our good friend and long-time member Tom Mahler. While we are missing him greatly, the family arranged for the club to be named in the obituary notices as a possible In-Lieu of Flowers memorial donation. The result of that amounted to donations of \$3,650! This is a tremendous tribute to Tom.

We were able to support the Millsboro Library and their Summer Reading Program by donating a box full of Train themed books, plus placing our S Gauge Modular layout in their Activities room in August 15th and leaving it there until September 6th. After that, we are taking that same display to the Delaware Veterans Home in Milford from Sep, 12th until around Sept. 26th. We hope the veterans get a kick out of seeing the trains with local scenery dioramas.

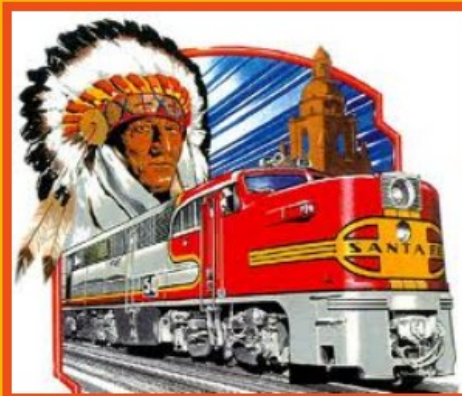

While we will hope for good weather on Sept. 2nd for our Yard Sale, we are also planning for our next train show in Roxana. We are still looking for a person to chair the Kitchen Committee for that event so Steve Cawunder can take a rest from that job.

While talking about filling roles held by Steve, let us all give a shout out to Terry Wildemuth, one of our newest members who jumped right in to take on the Club Manager's role. Let's give Terry all the support we can.

John Hodges

All gauges.....All fun

The Delaware Seaside Railroad Club is a 501(c)(3) non-profit educational charity organization. Our mission is to preserve and promote the history and hobby of model railroading.

Our club activities include:

- School projects - teaching school children how to design and build a model railroad.
- Two Annual Train Shows at the Roxanna Fire Hall, May and September
- Monthly meetings and newsletters
- Clubhouse Operating Displays in O, S, HO, N and G-Gauges Open to the Public
- Operating O-Gauge modular layouts at various venues around the area
- Community Support with Holiday Parades
- Community Displays

Bethany Beach Fourth of July Parade
 The Delaware Seaside Railroad Club marched with its interactive Thomas the Tank Engine Float in the 2023 Edition of the ever popular Bethany Beach Parade on July 4th. A fun time was had by all!

Spring Fling Train & Toy Show

Roxana, Delaware Fire Hall
 Saturday, April 29, 2023
 Thanks to everyone who attended the Spring Fling Train and Toy Show. It was another great fundraising success for the Club and a fun event for all. We are especially grateful to the many Club members who volunteered their time to make this show happen.

 Great progress landscaping the modular 6' x 15' HO layout this Saturday. It should be finished in 2-3 weeks.
